Two Before Mayor on Vagrancy Charge

Will Wright, colored, arrested yesterday on a charge of vagrancy was before the mayor yesterday afternoon and was fined \$25 and costs. This is the second time the man has been before the mayor on a charge of vagrancy in a period of two weeks and in both instances a fine of \$25 was imposed. The man's wife appeared and paid the fine and he was released from custody.

Clarence Bryan, another colored man, arrested on a similar charge and held by the mayor put up such an honest story concerning himself that the mayor after administering a severe reprimand allowed him to go free. The man stated that he was not a vagrant but had worked up until Friday when he had decided to take a brief vacation and said that if he were released he would go to work again when cross examination failed to incriminate the man the mayor let him go free.

Catarhal Deafness Cannot Be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarhal deafness. Catarhal Deafness is caused by an inflammation of the mucous lining of the Eustachian Tube. When this tube is inflamed, it has a tendency to close, and hearing is lost. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Haily's Catarrh Medicine acts like the blood in the mucous surfaces of the system. We will give One Hundred Dollars for any case of Catarhal Deafness that cannot be cured by Haily's Catarrh Medicine. Consult free. All Druggists. H. A. CHERRY & CO., Toledo, O.

Life Was a Misery

Mrs. F. M. Jones, of Palmer, Okla., writes: "From the time I entered into womanhood . . . I looked with dread from one month to the next. I suffered with my back and bearing-down pain, until life to me was a misery. I would think I could not endure the pain any longer, and I gradually got worse. . . Nothing seemed to help me until, one day, . . . I decided to

TAKE

CARDUI

The Woman's Tonic

"I took four bottles," Mrs. Jones goes on to say, "and was not only greatly relieved, but can truthfully say that I have not a pain."

"It has now been two years since I took Cardui, and I am still in good health. . . I would advise any woman or girl to use Cardui who is a sufferer from any female trouble."

If you suffer pain caused from womanly trouble, or if you feel the need of a good strengthening tonic to build up your run-down system, take the advice of Mrs. Jones. Try Cardui. It helped her. We believe it will help you.
